Kristine,

The following email is provided on behalf of Jim.

Kristine,

Attached please find a clean copy and redline/strikeout version of the draft Appendix P revised to reflect EPA's April 4, 2014 direction on changes to the comprehensive benthic approach. John Toll and I are available if you have any questions or want to discuss this draft document. Please let us know if the revisions are acceptable to EPA. Thanks, Jim.

Please let us know if you have any questions.

Thank you,
